

For the Safety, Accessibility, and Viability
of America's Railtowns

FULL MEMBERSHIP BENEFITS:

- **Collective Advocacy:**
Amplify your voice in addressing rail-related challenges.
- **Resource Access:**
Benefit from a growing pool of knowledge, expertise, support and rail-related vendor discounts.
- **Networking:**
Collaborate with communities facing similar challenges.
- **Visibility:**
Raise awareness of your community's issues on a larger platform.
- **Representation:**
Legislators will know with certainty what matters to their rail-linked constituencies.

Railtowns United is a coalition of communities addressing the unique and complex challenges rail-connected towns face. From blocked crossings to service reliability and infrastructure concerns, our goal is to unite railtowns, identify solutions, advocate for necessary improvements, and foster sustainable economic growth for our members and their railway partners.

We are committed to generating solutions that overcome today's challenges, working closely with railways, community leaders and local, state, and federal officials. Our coalition aims to elevate safety standards, drive economic prosperity, and establish an equitable partnership of equals with the railroads we host.

Who can join?

We serve communities of 9 million all the way to villages of less than 1,000 citizens. Membership is not limited to municipalities! Members may also be wards, boroughs, counties, regions, areas, and districts.

ALL ABOARD

See the next page for Full Membership pricing by population.

Visit railtowns.org or contact us at membership@railtowns.org for more details on Full Membership and how we can help engineer safety, accessibility, and viability for your community.

Railtowns United Full Membership Dues, 2024

Railtowns United follows a rolling-membership model. Membership is always open, and dues cover 12 months from the date of joining. The pricing in this document is valid through December 31, 2024.

Have questions? We're happy to help at membership@railtowns.org.
